

## Sample MPR Project Email

Dear \_\_\_\_\_,

If (Because) Miles Park Romney is an ancestor of yours, this message is specifically for you. Will you please consider taking two family history-related actions?

First, on the internet, go to [www.milesparkromney.com](http://www.milesparkromney.com), read the materials there, and respond in the way you feel is appropriate? We ask you to support in every way possible for you.

Second, will you please go to [www.facebook.com/MilesParkRomneyCousins](http://www.facebook.com/MilesParkRomneyCousins) and like Sherman Romney's facebook page that he created for all of us MPR descendants? Join the community of cousins and keep up-to-date on the film project's development.

This is a chance to do something significant to honor our ancestors, turn our hearts to them, and theirs to us.

And watch for news of our Grand Family Reunion coming soon!  
Thank you!

P.S. Please send this on to any in your address book who might be interested.
